MEMORANDUM FOR Worldwide Warehouse Redistribution Service's (WWRS) Customers

FROM: AFLCMC/WFIUC
1822 Van Patton Drive
Wright-Patterson AFB OH 45433-5337

SUBJECT: 2012 WWRS Conference Cancelled (WWRS Email, 13 Nov 12)

1. Due to circumstances beyond our control the 2012 WWRS Annual Conference scheduled for 27-29 November has been cancelled. The conference will not be rescheduled as stated in the subject email.

2. We apologize for any inconvenience this may cause our International Partners, US Government employees and Contractors. The WWRS Program Office made this decision after extensive discussions and consultations with the AFSAC leadership. The program office could not get the approvals to hold the conference in-accordance-with the United States Deputy Secretary of Defense (DEPSECDEF) memo signed 29 Sep 2012.

3. It is the goal of the WWRS program office to provide the education and training necessary for all of our partners to use WWRS successfully. We will begin planning for the 2013 Conference now and sincerely hope you will be able to attend. In the meantime, if you have any training needs on WWRS we will work with you to our fullest ability.

4. For your potential consideration, a WWRS team member will be attending the 2013 Logistics Process Improvement Team (LPIT) and will be visiting USASAC and NAVSUP in the coming months. If you are interested in scheduling one on one interaction with a WWRS team member during one of these trips, please contact the PMO mailbox, afsac.wwrspmo@wpafb.af.mil.

5. For any questions or concerns, please contact Mr. Gerald Proctor, AFLCMC/WFIUC, gerald.proctor@wpafb.af.mil, DSN 672-6589.
